Basis information provided by OYO.

Lack of transparency in reimbursement process causes expense increments of up to 14%. OYO for business portal helps in maintaining transparency and provides real time booking information and invoicing system to Travel Managers. In addition corporate portal allows employees to process their own bookings positively impacting efficiency levels and saving time. Thus, actual savings by switching on to OYO for Business will be higher than 40%

#Late payment fee shall not be charged only upon payment of full balance each month. Actual credit free period will vary based upon the date of the charge and the billing cycle cut-off date

^The Corporate Card used for payment on OYO should be enrolled for Membership Rewards® Programme to enjoy this benefit. The Jet Airways American Express® Corporate Cardmembers will earn JPMiles on their Oyo for Business spends.

*Estimate based on average OYO room rate. Rates may vary from property to property. Estimate does not include discounts or promotions. Rates for other hotel properties can vary basis current vendor arrangement of the Corporate Client.
