

# Introducing Samsung Pay\*. Simple to set up. Simple to pay.

Samsung Pay is here – which means a fast and convenient way to make Contactless payments with your American Express® Corporate Card using your compatible Samsung device.

## Step 1

Launch the Samsung Pay app and sign in with your Samsung Account ID to register your Card.

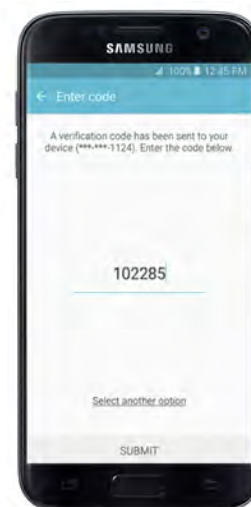

## Step 2

To add Card, scan your Card with your device camera, or manually enter the details.

## Step 3

Confirm your Card billing address, then follow the additional on-screen instructions.

## Step 4

For security purposes, you may be asked to enter a one-time Verification Code to confirm your identity.

## And if you lose your Card...

Simply contact customer service. You'll automatically be sent a replacement Card and we'll update your new Card information in Samsung Pay almost immediately.
